Payment classification code	Type of service	Fee	Service description
WCO002	Maximum hourly rate payable to general practitioner	\$283.20 (plus GST) or \$23.60/5min (plus GST)	<p>This fee remunerates any time spent by the medical practitioner (in addition to usual medical management) to assist the worker to recover at/return to work.</p> <p>These rates may cover discussions with employers, case conferencing (see definition over), visits to worksites, time spent reviewing injury management or return to work plans, and providing additional reports (where report was requested and pre-approved by the insurer).</p> <p>Invoices should reflect the time taken (to the nearest five minutes).</p>
	Case conference	\$23.60/5min (plus GST) or \$283.20/hr (plus GST)	<p>A case conference is a face-to-face meeting, video conference or teleconference with any or all of the following parties – the worker, employer, workplace rehabilitation provider, insurer or other treatment practitioner(s) delivering services to the worker.</p> <p>Discussion must seek to clarify the worker's capacity for work, barriers to return to work and strategies to overcome these barriers. If discussion is with the worker, it must involve a third party in order to be considered a case conference.</p> <p>Discussions between the nominated treating doctor and other treating practitioners (eg allied health practitioners, medical specialists or surgeons) regarding treatment are considered a normal interaction between the referring doctor and practitioner. This is not to be charged as a case conference.</p>
