Explanatory Note

Treatment by a Medical Practitioner is medical or related treatment covered under the Workers Compensation Act 1987. This Order sets the maximum fees for which an employer is liable under the Act for any medical or related treatment provided to a NSW worker. It must not exceed the maximum fee for the treatment or service as specified in this Order. Workers are not liable for the cost of any medical or related treatment covered by this Order. The effect of this Order is to prevent a Medical Practitioner from recovering from the worker or employer any extra charge for treatments covered by the Order.

Under section 60(2A)(a) of the Workers Compensation Act 1987, medical or related treatment requires prior insurer approval unless treatment is provided within 48 hours of the injury happening or treatment is exempt from pre-approval under the Workers Compensation Act 1987 or the State Insurance Regulatory Authority’s Workers Compensation Guidelines in effect at the time.

This Order adopts the List of Medical Services and Fees issued by the Australian Medical Association (AMA), except where specified in this Order. To bill an AMA item, a Medical Practitioner must be confident they have fulfilled the service requirements as specified in the item descriptor. Where a comprehensive item is used, separate items cannot be claimed for any of the individual items included in the comprehensive service.

The incorrect use of any item referred to in this Order can result in penalties, including the Medical Practitioner being required to repay monies that the Medical Practitioner has incorrectly received.

Consulting Surgeons should also refer to the Workers Compensation (Surgeon Fees) Order 2019 or, if an Orthopaedic Surgeon, the Workers Compensation (Orthopaedic Surgeon Fees) Order 2019.
